IBJI's Athletic Training Student Intern Description

Title: Athletic Training Student Intern

Reports to: Clinical Instructor

Primary functions: To provide assistance and support to the IBJI Athletic Training and Physical therapy staff while gaining valuable hands on experience in the field of Athletic Training under the supervision of their Clinical Instructor. All primary responsibilities should be performed while maintaining the highest standard of care and integrity, in order to provide the best patient experience possible.

Qualifications:

1. Student must be enrolled in an accredited athletic training pursuing a Bachelor's or Master's degree in Athletic Training.
2. Student must provide a learning agreement provided between their university and IBJI.
3. Student must provide proof of liability insurance coverage by their university.
4. Student must provide proof of up to date AED/CPR certification card.
5. Student must provide proof of up to date Hep B shots and TB test.

Preferred Skills:

1. Strong interpersonal skills
2. Exceedingly high motivation and energy level
3. Flexibility and ability to manage a multitask environment
4. Selfless attitude and emphasis on customer service
5. Strong organizational and time management skills

Intern Responsibilities:

1. Assist with evaluations, assessments, and rehabilitation under ATC supervision.
2. Facilitate daily clinic operation under ATC supervision.
3. Maintain a safe environment for patients, athletes, and staff.
4. Understand how to maintain clear records and documentation under ATC supervision.
5. Adhere to appropriate health care codes and IBJI policies.
6. Assist with unexpected needs when asked by supervising ATC.
7. Assist with event coverage under ATC supervision.
8. Represent IBJI in a professional manner.
